Grade 11: United States History II

United States History II, the required course for all juniors, examines the history of the United States from 1877 to the present, including the many outstanding achievements and challenges of the nation.

In addition to the content presented in the course, emphasis will be placed on students' skill development in the literacy areas of reading, writing, speaking and reasoning. The requirements of the course have been written to reflect high expectations of student achievement in reading, writing, speaking, and reasoning.

The student's proficiency will be assessed through a variety of assessment tools which may include: quizzes; notes from readings/discussions/research; multiple choice tests; open response writing; graded discussions; oral and/or visual presentations, both individual and group; primary source analysis; debates; cooperative learning; writing and editing of essays; critiques of historical media; creative writing including poems, song lyrics, newspapers, children's books, and political cartoons; general research; journal writing; daily homework; interviews and/or surveys; departmental final exam.

Participation in National History Day is encouraged for all students in grades 9-12. Information is distributed in October or is available in the Red Social Science office.
