Semester 1 grade	50 percent
Semester 2 grade	50 percent

NOTES:

1. Automatic failure on the third absence each term (unless waived or buyback).
2. Students must have a final average of "B-" or higher in order to continue in LET IVB. This is an Advanced Level course.
3. Much of LET IV is self-study. Cadets are responsible for completing reading AND SELF-STUDY READING assignments on their own. As many of these assignments are not discussed in detail during class, additional research is encouraged to ensure understanding. The material covered in reading assignments is testable. Remember, reading is a form of communication; and reading for comprehension is an important leadership skill.
4. Participation in after-school service learning is mandatory. Non-participation without legitimate reason will result in a lower grade and a requirement to take a 2nd Term Test or complete a senior project assigned by the SAI.
