The Principals Point

Mrs. Campbell

As I sit to write the last Principal's Message for this school year I pause to reflect upon the wonderful "things" that happened and the folks that made it all possible.

I thank my fellow administrators, faculty and staff for their expertise in academics, interventions, special education, tutorial groups, and attention to each youngster's personal needs. I thank the secretarial staff for always getting everything done, taken care of, in boxes, on buses, in envelopes, and getting every phone call attended to – and there are many, many every day. I thank the cafeteria staff for their diligence and hard work in putting out super breakfasts and lunches for hundreds everyday. I thank the custodians for their hard work in always presenting our building in a clean operational way each day. I thank the parent liaisons for their untiring work for the youngsters – for always thinking ten steps ahead of me to get the job done in time with all parents knowing what's going on. I thank the PTA – this tireless group is dedicated to offering the "extras" for our kids. The PTA never ceases to amaze me with their energy and ideas. Lastly, I thank you the parents for continuing to work with us – our team is unbeatable in our efforts to make every child feel special, to have every child succeed at his/her level, in our commitment to our motto that is the basis for our success: "I think I can; I know I can". Thank you all. Have a wonderful summer!
